

# An Eyecare Plan With You in Mind

## VSP's Laser VisionCare<sup>SM</sup> Program

**When you're tired of glasses  
and contacts**

Tired of wearing glasses and contacts? VSP's Laser VisionCare Program could be for you. If you're nearsighted, farsighted or have astigmatism, are at least 18 years old and in good health with no eye diseases, you could be a candidate for laser vision correction.

Laser vision correction is a surgical procedure, so the decision to have it should be made carefully. Follow these steps to learn the facts and find out if it's right for you.

### 1. Visit [vsp.com](http://vsp.com)

- Get details about the program
- Learn what to expect during surgery
- View questions to ask your doctor
- Find out how to obtain services
- Locate a VSP network doctor

**2. Confirm your eligibility.** Before scheduling an appointment, log on to [vsp.com](http://vsp.com) or call VSP Member Services at 800-877-7195.

**3. Call your VSP network doctor** to verify their participation in the program.

**4. Schedule a complimentary screening** with your VSP network doctor to learn more about laser vision correction.

If you decide to have laser vision correction, your VSP network doctor will make arrangements with an approved laser surgeon and center and provide your preoperative care.<sup>1</sup> Post-procedure care is coordinated between your VSP network doctor and your VSP laser surgeon.

### VSP Discounted Pricing

You'll save an average of 15 percent off the regular price at contracted laser centers, or an additional 5 percent off the center's promotional price<sup>2</sup> — which could add up to hundreds of dollars in savings.

<sup>1</sup>While the laser vision correction screening and consultation with your VSP network doctor is complimentary, if you have a preoperative exam and do not proceed with the surgery, your VSP network doctor may charge an exam fee up to \$100.

<sup>2</sup>VSP discounts may not apply to some laser center promotional programs.
